

# have a seat...

and be a part of Boulder's growing art scene.

Construction is underway for a new art-house cinema at The Dairy. The cinema will feature independent film and broadcasts of live opera and other performing arts.

For a limited time, we will be offering an opportunity for you to "name a seat" within The Boedecker Theater. This can be a gift for someone who loves film or opera, or

a special treat for you. But this offer will not last long. We have fewer than 60 seats still available to name.

With this donation you will be invited to a special grand opening preview.

**Don't miss the opportunity to be a part of the fabric that makes The Dairy such an outstanding community performing arts center.**
